The Board of Directors of the Ukiah Valley Sanitation District does ordain as follows:

1. Section 6-1 of Ordinance No. 6 dated December 3, 1973 is hereby amended to read:

"(1) Residential Schedule:

(a) Five hundred fifty dollars (\$550.00) for each dwelling unit connected.

(2) Commercial and Industrial Schedule:

(a) Five hundred fifty dollars (\$550.00) for commercial and industrial connections in addition to such fees as the District Engineer of the District reasonably deems necessary to pay for additional costs, including compliance with the requirements of biochemical oxygen demand removal, other treatment, gallonage of flow, and other sewage characteristics as the District Engineer deems appropriate."

2. All other sections of said Section 6-1 and said Ordinance shall remain in full force and effect.

3. This Ordinance shall become effective February 1, 1981.
